Drone

FAA107: Drone License Prep

FAA107 prepares participants for the FAA Part 107 Remote Pilot certification exam required for many commercial and non-recreational drone operations. The course covers the regulations, airspace, weather, airport operations, sectional charts, aircraft performance, and other aeronautical knowledge needed for the exam. It also explains the differences between recreational and Part 107 operations and the requirements that apply to each.

Dates: **October 26, 28, Nov 2, 4, 9, 13, 2026 (Monday & Wednesday & 1 Friday)**

Tuition Cost: \$895

DF101: Drone Flying

DF101 introduces participants to the practical side of flying a drone. The course explores different types of drones and their uses, where and how they can legally be flown, basic and advanced flight techniques, and strategies for avoiding crashes and lost aircraft. Participants also learn techniques for capturing photographs and video from the air.

Dates: **November 16, 18, 30, December 2, 7, 9, 2026 (Monday & Wednesday)**

Tuition Cost: \$895

No class Election Day, Veteran's Day, or the week of Thanksgiving

iPad

OS100: Operating System Survey

OS100 explores the operating systems used on today's mobile devices and how they differ from traditional desktop operating systems. Participants learn the fundamentals of mobile operating systems before comparing iOS and iPadOS, Android and ChromeOS, Windows tablets and hybrids, and operating systems used on wearable devices. The course also examines security, privacy, and emerging trends in mobile operating systems.

Dates: **October 27, 29, Nov 5, 6, 10, 12 2026 (Tuesday & Thursday & 1 Friday)**

Tuition Cost: \$895

TAB100: Tablet Computers

TAB100 provides hands-on instruction in using and managing an iPad. Participants learn how to set up and navigate the iPad, personalize its settings, work with apps, stay connected, and use the iPad for photos, video, communication, and everyday tasks. The course also covers syncing and file management, privacy and security, updates, and troubleshooting.

Dates: **November 17, 19, December 1, 3, 8, 10, 2026 (Tuesday & Thursday)**

Tuition Cost: \$895

In-Person Registration

October 19th & 20th, 2026

12:00pm—3:30pm @ UAW 647 Office or ONLINE
